**Find your way to Route 93 travelling North From Boston or the Mass Turnpike (Route 90)**

1. Travel North on Route 93 to Exit 32 (Route 60 Medford/Malden)
2. At the bottom of the ramp is a rotary, take the first exit for Route 60 East towards Malden and Revere
3. Continue on Route 60 East for 3.0 miles. Route 60 is Eastern Ave. The facility is on your left at 3.0 miles.
4. If you are looking for a landmark, there is a car wash on the right about 300 yards before the facility.
5. The school is located at the intersection of Route 60 (Eastern Ave) and Cross Streets. Cross Street is a one-way, so you must enter the facility from the entrance at the far end of the building on Route 60. From Route 60, turn left into the parking lot. There is additional parking across the street in a vacant dirt lot on Cross Street.
6. After you park, enter the building from the center entrance on Route 60. The gym will be on your left and the pool and locker rooms will be on your right.

You can also take Route 2 East to Route 16 to Route 60 East, but you will need to use your GPS. There are too many turns and probably too much traffic for me to recommend specific directions for this.
